Queen Square

Please join us in extending a warm welcome to our newest physician, Dr. Inderjit Kaur!

My name is Inderjit Kaur, and I'm honored to serve this wonderful community. As a Brampton resident for over 25 years, I'm proud to call this city home. I come from a small family of four, including my two young boys, who keep life exciting. My medical journey has taken me across the Caribbean and the United States, and I've been practicing for the past six years. I'm excited to bring my experience and dedication to Queen Square and look forward to providing quality care to you and your family.

***A Heartfelt Farewell to Doctors C. Bernard,
J. Cooper, T. Singh and J. Varughese***

Queen Square would like to take a moment to honor and celebrate Doctors C. Bernard, J. Cooper, T. Singh and J. Varughese as they step into retirement or pursue exciting new chapters in their lives. Each of them has left an indelible mark on our organization, patients, and community.

They embodied what it means to be truly remarkable. Their down-to-earth demeanor, unmatched dedication, and incredible compassion were evident in every interaction. Whether comforting patients, mentoring colleagues, or navigating the challenges of the pandemic, they approached every moment with grace, humility, and unwavering commitment.

We are profoundly grateful for the impact they've had—not just through their professional excellence but through the kindness and humanity they brought to every aspect of their work. Their presence will be deeply missed, but their legacy will continue to inspire us.

As they embark on this next journey, we wish them abundant joy, peace, and fulfillment. Thank you, Doctors C. Bernard, J. Cooper, T. Singh and J. Varughese for everything you have given to our team and the community. You will always have a special place in our hearts.
