QUEEN SQUARE DOCTORS

Patient Newsletter Vol. 5

OFFICE HOURS

Please note the main office hours have changed to 8am – 7pm Monday through Thursday and 8am – 5pm on Friday. Phone lines remain open until 6pm Monday through Thursday and until 5pm on Friday. Our office and phone lines also continue to remain open on the weekends and Holidays beginning at 9am. For any questions or concerns regarding matters related to our Patient Accounts Department, please contact them Monday through Friday, 8 am – 4pm.

BOOKING AN APPOINTMENT

As a reminder, in addition to calling our office, you can also book an appointment online with your Family Doctor at <https://patient.medeohealth.com/booking/queen-square-doctors>

School Immunizations have Resumed!

Routine school immunizations (including the Human Papilloma Virus (HPV), Hepatitis (Hep B) or Meningococcal ACYW – 135 vaccines), have now resumed in Peel Region for students in Grades 7-12.

Please contact the Region of Peel or our office for further information including vaccine availability and booking an appointment.

DR. GRAINGER HAS RETIRED!

If you are a former patient of Dr. Grainger and have not yet received a notification regarding your new Family Doctor, please call our office immediately to obtain the details.

Although the Ontario Government recently lifted the mask mandate in certain settings, we wish to remind you that masks will still be required in health care settings, including our office. Masks are still required for all patients, and staff, and children over 2 years of age.

Queen Square Doctors will continue to follow all Public Health Guidelines, including masking, social distancing, and hand hygiene. Finally, COVID-19 vaccine is still our best defense against severe infection. We encourage all our families to get vaccinated and boosted when eligible.

REMINDER: COVID VACCINES ARE STILL AVAILABLE FOR OUR PATIENTS AS WELL AS OUR FELLOW COMMUNITY MEMBERS

If you have not already received your COVID vaccine, we strongly encourage you to do so. Vaccines are still available at our clinic. Please call our Family Health Team at (905)453-1453 or our office to inquire about availability and booking.

Thank you for your continued patience with our clinic's COVID protocols. We hope that you continue to stay safe!

Warmest Regards, Queen Square Doctors
